To Whom This May Concern:

I have been asked for a reference on Mr. John O'Maley of 7262 Wethersfield Drive, Maineville, Ohio. I have known Mr. O'Maley professionally since about 2013, when he started working with my company to arrange for national sales and marketing exposure for an OTC medication my company was developing.

A material part of my selection of John to represent us was his apparent character, education and experience. He is a graduate of the United States Military Academy at West Point, a singular accomplishment for any young person, but also a strong indication of a stellar character. He also played varsity basketball while at West Point, under the infamously demanding Coach Bobby Knight. Mr. O'Maley then served bravely for our country as an Army Ranger- where integrity and core values were essential.

These early successes spoke well of his determination to help us, born out by scores of other clients over the decades of his successful business career. His efforts on our behalf resulted in our product receiving the annual award for the Best New Pharmaceutical at the ECRM national forum. This was in great measure due to his skills and superb reputation in his field. We were quite fortunate to have him as our representative.

Mr. O'Maley is also a devout Christian. Indeed, knowing him as a man of honor and goodness, I sponsored him for the position of Deacon in his parish. I have no doubt that as a Deacon he has helped many people with his candid, honest and straightforward manner of dealing with others. As a father and husband, he and his wife raised a lovely family, of whom they are very proud.

In my opinion, Mr. John O'Maley is a man of impeccable honesty, a strong sense of right and wrong, and an accomplished businessman. Moreover, John's word is his bond. I would want him on any Company leadership team I had the pleasure of leading.

I am available for any further information if that would be helpful.

Sincerely yours,

Steven J. Keough
